Fact Book 2022-23

Office of Institutional Research & Planning

Fact Book, 2022-2023

The Office of Institutional Research and Planning (OIRP) of Rhode Island College is pleased to present the 2022-2023 Fact Book. This document continues to serve as a primary source of official data about all facets of the college including admissions, enrollment, finances, and faculty and staff. The Fact Book is intended to serve as the first stop for common official data points requested by external agencies, as well as a source of information for internal units across the campus.

Under the guidance of the new Director of Institutional Research and Planning, Dr. Sara Phillips, OIRP is in the process of reviewing and updating all of our official publications, including this one. While we will ensure the Fact Book continues to provide insightful and comprehensive data about the college, we want to focus on the data points most relevant and useful to our constituents. Should we miscalculate, and remove any data your office relies on, do not hesitate to reach out to us so we can provide what you need, by either restoring it to the Fact Book or through other mechanisms. Your feedback helps us better understand who is consuming institutional data and why and assists us in making this publication the best it can be.

Finally, we would like to thank the many offices and individuals that help us to prepare the Fact Book each year by providing or reviewing the data in this document, and making suggestions for improvement. We would like to acknowledge the contributions of the following and their staff:

Stephen Nedder, Administration and Finance
Carissa Delizio, Adams Library
Kevin Fitta, Capital Planning
Nelia Kruger, Controller
Scott Gibbons, Athletics
Nadia Petrovic, Office of Sponsored Programs
Marcia Selinger, Alumni Affairs
David Toms, User Support Services
Carrie Miller, Web Communications
Andrew Sandlin, Web Communications

A special thanks is extended to Kristen Procopio of this office for her confident and competent handling of the OIRP office in this year of transition, and her work as the primary author of this publication.

Dr. Sara Phillips, Director
Office of Institutional Research & Planning,
September 2023

RHODE ISLAND COLLEGE

Mission Statement

As a leading regional public college, Rhode Island College personalizes higher education of the finest quality for undergraduate and graduate students. We offer vibrant programs in arts and sciences, business, and professional disciplines within a supportive, respectful, and diverse community. Dedicated faculty engage students in learning, research, and career attainment, and our innovative curricula and co-curricula foster intellectual curiosity and prepare an educated citizenry for responsible leadership.

Vision Statement

Rhode Island College will be recognized as an outstanding institution of higher education that is valued for high-impact programs and educational practices that prepare Rhode Island's diverse population; for meaningful learning experiences that foster student retention and completion and support professional development; and for its partnerships that strengthen undergraduate, graduate, and co-curricular programs. The college will be known for the expertise and leadership of its faculty, students, and alumni; for its adaptability to the changing social and economic environment; and for its collective impact on Rhode Island's economy and culture.

(Approved on April 11, 2014 by the RIC Council and by the Board of Education on May 12, 2014.)

Core Values

Excellence and Innovation

RIC will continue to foster a high-quality educational environment with rigorous academic programs, talented faculty, and a strong support system for academic success. This is complemented by our proven talent, foresight and reputation for responding to emerging issues.

Access and Opportunity

Education experience to prepare students from all walks of life. We are committed to providing the supports necessary to assure that students have the knowledge and skills to succeed in, and contribute to, our global society.

*Includes first-time as well as non-first-time freshmen.

**Excludes those who took the new version of the SAT.

***SAT scores submitted in 2017 and later are not comparable to those of earlier years, as the College Board modified the scoring methodology for the test.

✦As of 2021, Rhode Island College became test optional and only a small percentage of students submitted test scores, 21% and in 2022, that number dropped to 15%. Due to this change in policy, this page will NOT be included in the Fact Book in future years.

Note: Evidence-Based Reading and Writing scores are identified as EBRW. Out-of-State includes all out-of-state students including those classified as MTP/NEBHE/NEN. Starting in 2019, the former MTP program was expanded to include all of New England and the New York City metropolitan area and was re-branded as the Northeast Neighbors program (NEN).

Note: Comparison is based on first-time freshman only.

*Includes first, second and intended majors.

***"Unknown Concentration" includes students whose concentration is missing, students in a major that do not require a concentration, students who have a concentration that does not match their major and students who have not yet declared a concentration such as those students in "Intended" majors. Due to data inconsistencies, it is not always possible to distinguish between students whose concentration is missing and students in majors that do not require a concentration.
